CHILD LIFE DONATION GUIDELINES

The Child Life Program at Comer Children's is an essential component to helping patients and their families cope with a hospital stay. Our specialists know children with any medical condition are in need of more than just medical care to heal and recover—they need development-focused support, interaction with their peers, and time to play. These critical programmatic elements are made possible because of the generous contributions and gifts from individuals, foundations, and groups. In-kind donations enable our team to carry out their important work. We are deeply grateful for your support!

GENERAL TOY DONATION GUIDELINES

In order to adhere to Hospital Policy and Best Practice, all toy donations must follow these strict guidelines:

- Brand new, with original tags and packaging on all items;
- Non-violent, no weapons including Nerf items, guns & knives;
- Durable, non-toxic, and plastic;
- Non-denominational;
- **Not** gift-wrapped.

Due to safety & infection control guidelines, we are **UNABLE** to accept:

• Handmade items	• Anything with Latex
• Foam toys or puzzles	• Glitter or Sand Art activities
• Candles	• Small Rubber Balls
• Food	• Magnetic Toys
• Breakable Items	• Plastic gift bags (paper bags are safest)
• Sharp Items (nail clippers, metal nail files)	

SHIPPING

Online purchases are encouraged and may be shipped directly to our team at:

Comer Children's Hospital
Amy Carter – Child Life K135
5835 S. Cottage Grove Ave, MC8008
Chicago, IL 60637

CURBSIDE DROP-OFF

When shipping is not possible, please contact our donation coordinator at amy.carter@uchicagomedicine.org or via phone at 773-702-0407 to review guidelines and arrange a date and time if a curbside drop off is determined feasible.

Due to infection control & confidentiality guidelines, the following must be adhered to:

- Donors must remain outside the building for drop off. The child life team will make certain that all items are utilized appropriately with our children and families.
- All donors must monitor for illness and may not come to campus if you have any symptoms or have been in contact with anyone who has tested positive for COVID-19 in the past 14 days or flu in the past 7 days.
- Drop offs must be coordinated in advance. Donors will be given a designated area to park and a phone number to call upon arrival.
