CONSENT FOR TREATMENT

I _____ am the parent or guardian of _____.
Parent/Guardian Name (Print) Child Name (Print)

The University of Chicago Comer Children's Hospital is called UCCCH or Comer. The doctors and nurse practitioners are called the healthcare team.

I understand:

- Comer runs a **Pediatric Mobile Medical Unit.** It is also called the **Pediatric Mobile Unit.**
- Children and teens in my child's school or education program may get health and medical care on the Pediatric Mobile Unit.
- Any exam, test, test results, or treatment is given by Comer medical staff.
- Care is given in the Pediatric Mobile Unit that comes to the school or other location.
- If I have any questions about the program, I may call the Pediatric Mobile Medical Unit program coordinator at (773)-834-8850.

Chicago Public Schools (CPS):

- I understand that CPS does not manage the Pediatric Mobile Unit program.
- CPS is not responsible in any way for this Pediatric Mobile Unit program.
- CPS works with the Pediatric Mobile Unit to plan visits and follow up care on the mobile unit.

Consent for Standard Care:

I agree that the healthcare team on the Pediatric Mobile Unit may give regular ongoing medical care to my child.

- Care given will follow what is recommended by the American Academy of Pediatrics.
- Care will follow UCCCH policies, procedures, and rules.
- Care may include medical care, testing for emotional well-being, vaccines, or blood tests.
- This permission for care **does not** include:
    - Medications or procedures still being tested.
    - Any treatments or therapy not given by the healthcare team on the Pediatric Mobile Unit.

Pediatric Mobile Unit staff will try to tell my child's primary care provider (listed on the registration) about any changes to my child's health.

I know I can ask questions and talk with:

- My child's primary care provider about my child's condition and any possible treatment.
- Anyone from the Pediatric Mobile Unit healthcare team about my child's condition, care, or treatment.

Consent for Exams, Diagnosis and Treatment, and Disclosure of Health Information:

As the parent or guardian, I give permission for the healthcare team on the mobile unit to:

- Give my child an exam for school, sports, or for any minor problem.
- Give tests, procedures, and care that is needed to know and treat my child's condition. This may include, but is not limited to, well-child care, sick care, and follow-up care.
- Share information about my child's exam with my child's school, following all laws that apply.

Consent to Provide Services Without a Parent or Guardian Being Present:

I give my permission for this child to get services from UCCCH even if I am not with my child when these services are given.

I understand:

- This child may be seen and treated without me, or another adult allowed by me.
- The Pediatric Mobile Unit team will try to contact me to talk about the child's condition and any treatment given.
- Any medications recommended during this visit must be picked up by me or an adult allowed by me. Staff will not send medications home with the child unless one of us is also home.

Consent to Share Information:

I give my permission for UCCCH to give and share:

- All school health and medical forms with my child's school nurse.
- Written and verbal reports about my child's test results and care with this child's primary care provider or specialty providers.
- Permission to share information will stay in effect for the time the child is a student at CPS.
    - Consent to share information may be removed at any time.
    - If I remove my permission, I know my child's information may still be shared as described in the UChicago Medicine Privacy Practices, or otherwise allowed under Federal and State laws.

CONSENT FOR TREATMENT (Continued)

Consent for Taking Part in Research:

I understand:

- I may be contacted to ask permission for my child to take part in a research study.
- My child cannot take part in a study without my written consent.
- Children who are 18 or older may give their own consent for taking part in a research study.

This consent (permission) will stay in effect until the child graduates, transfers or leaves Chicago Public Schools.

- I can remove my permission by filling out and signing a written Withdrawal of Consent.
- I can get this form from my child's school principal or representative, or a member of the Pediatric Mobile Unit staff.

This consent will stay in effect during any change of the supervising provider on the Pediatric Mobile Unit in the current school year, UCMCCH will tell me in writing of any changes and send me new contact information.

I have read all the information above, or it was explained to me. I am giving this consent of my own free will. By signing below, I am saying I understand the information in this form.
