Prior To Your Procedure:

- 24 to 48 hours prior to your procedure, one of our business office staff members will contact you about any fees due for your procedure. You will receive a text message with a link to follow and fill out your medical history.
- A Pre-Admission Testing Nurse will call you to review your medical questionnaire and discuss your procedure with you. If you have not been contacted the day prior to your procedure, please call **346-331-2455**, and ask for a Pre-Admission Nurse.
- A Pre-Admission Nurse will advise you of the exact time to arrive which is about 1 to 1 ½ hours earlier than your scheduled procedure. This will allow time for you to complete all paperwork, interview with the Nurse and the Anesthesiologist, and ask any questions prior to your procedure. (There can be delays that may extend your wait time but a clinical or non-clinical staff member will keep you informed of this before and/or during your visit.)
- A map to our facility is located on the flyer as well so that you may conveniently find your way to our facility but please do not hesitate to call us if you need further directions.

The Day of Your Procedure:

- You will complete all pre-registration paperwork with one of the Business Office Staff members.
- Please follow all Doctor's Orders before, during, and after the procedure.
- Wear loose and comfortable clothing for your ride home. You will be allowed to wear cotton socks during surgery. Please leave all jewelry and valuable items at home.
- You **MUST** have an adult drive you home when you are ready for discharge. We encourage your driver to stay at the facility but if they must leave, we ask that they provide a phone number so that they may be reached.
- Please check in no earlier than 30 minutes prior to your arrival time provided by the Pinecroft Pre Admission Testing Nurse.
