

FINANCIAL DISCLOSURE

These are separate service components for which you will be billed separately.

1. PHYSICIAN'S PROFESSIONAL CHARGE

These charges are billed directly from your physician office. Please contact the physician that performed the procedure with any billing questions related to the professional charge.

2. FACILITY CHARGE

South County Outpatient Endoscopy Services, the facility, will bill a fee based on the type and number of procedures being performed. The charges will be billed under South County Outpatient Endoscopy Services or SCOPE. If a screening Colonoscopy has any findings, it will become diagnostic and may incur additional charges. Please call your insurance provider to verify benefits.

3. LABORATORY AND PATHOLOGY CHARGE

If you have a biopsy done or polyp(s), you will receive a separate bill from the laboratory that processed your pathology. The laboratories that SCOPE utilizes are Informed Diagnostics and CoreLAB. You may receive a bill from one of the labs. This will be a separate charge from the facility. You may have up to two (2) charges for pathology.

4. ANESTHESIA CHARGE

UAP SCOPE Anesthesia will charge through Medusind. This will be a separate charge from the facility. For any billing questions you may call the customer service 1-888-709-3117.

For any questions regarding the facility billing charges please call 314-729-9780. South County Outpatient Endoscopy Services only bills charges incurred at the facility. All other charges are billed separate.
