

Statement of Limitation Regarding Advance Directive

Our team is dedicated to delivering the highest quality care in a safe environment that places the patient at the center of our care. The majority of procedures performed at Memorial Hermann Texas International Endoscopy Center are considered to be of minimal risk. It is the policy of Memorial Hermann Texas International Endoscopy Center that if an adverse event occurs during your treatment, the medical team will initiate resuscitative or other stabilizing measures and transfer you to an acute care hospital for further evaluation. At the acute care hospital, further treatment or withdrawal of treatment measures already begun will be ordered in accordance with your wishes, advance directive, or health care power of attorney.
