Valuing the Human Spirit

The Wesley Palliative Care Service

The Wesley Palliative Care Service is a multidisciplinary, holistic and inclusive service which values the human spirit in overcoming the burden of advanced incurable illness.

Philosophy

The Wesley Palliative Care Service operates within the philosophy of care of The Wesley Hospital and UnitingCare Health.

Our service is multidisciplinary, holistic and inclusive and values the human spirit in overcoming the burden of advanced incurable illness, regardless of the underlying cause. Further more, it provides patient and family centred care and access to community support as appropriate.

Objectives

Our objective is to deliver appropriate comprehensive care with skilled palliative care staff, in an environment which focuses on the specific needs of patients and their carers.

The Team

A skilled team of dedicated specialist staff work with the Visiting Medical Officer, General Practitioner and community services to provide compassionate and holistic care.

The team includes:

- + Palliative care medical specialists and registrars
- + Clinical Nurse Manager of Ward 4A
- + Clinical Nurse Consultant palliative care
- + Nurse Counsellors
- + Chaplains
- + Physiotherapists
- + Occupational Therapist
- + Speech Pathologist
- + Dietician
- + Pharmacist

Specially trained volunteers are available to offer practical and social support for the patient and their family and carers.

Referrals

Referrals can be made by the Visiting Medical Officer or General Practitioner to the Palliative Care Medical Team.
