Vith is an experienced insurance professional with a background in SME underwriting. He works closely with brokers on complex cases, analysing coverage and making underwriting decisions. His technical expertise allows him to build strong relationships with brokers and have confident, solution-focused discussions.

Vith will keep his underwriting authority, so he can give brokers immediate, informed support. His experience helps him explore growth opportunities and work with brokers to create sustainable, profitable portfolios.

Outside of work, Vith enjoys playing social sport and some park cricket with friends, often hobbling into the office the next day.
