## Life Insured's Statement

## Read before proceeding with your Application

#### YOUR DUTY OF DISCLOSURE

Before entering into a life insurance contract, we must be told anything that each of you as the proposed policy owner and the life to be insured (if a different person to the proposed policy owner) knows, or could reasonably be expected to know, may affect our decision to provide the insurance and on what terms.

The duty applies until we agree to provide the insurance. It also applies before the insurance contract is extended, varied or reinstated.

We do not need to be told anything that:

- reduces the risk we insure; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive the duty to tell us about.

If you are the life to be insured (but not also the proposed policy owner), you not telling us something that you know, or could reasonably be expected to know, that may affect our decision to provide the insurance and on what terms, may be treated as a failure by the proposed policy owner to tell us something that they must tell us with the following consequences for the proposed policy owner.

#### If we are not told something

In exercising the following rights, we may consider whether different types of cover can constitute separate contracts of life insurance. If they do, we may apply the following rights separately to each type of cover.

If we are not told anything that we are required to be told, and we would not have provided the insurance if we had been told, we may avoid the contract within 3 years of entering into it.

If we choose not to avoid the contract, we may, at any time, reduce the amount of insurance provided. This would be worked out using a formula that takes into account the premium that would have been payable if we had been told everything we should have been told. However, if the insurance contract has a surrender value, or provides cover on death, we may only exercise this right within 3 years of entering into the contract.

If we choose not to avoid the insurance contract or reduce the amount of insurance provided, we may, at any time vary the contract in a way that places us in the same position we would have been in if we had been told everything we should have been told. However, this right does not apply if the contract has a surrender value or provides cover on death.

If the failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

### **ZURICH PLAN - TRUSTEE OBLIGATIONS**

It is a condition of your participation in the Zurich Insurance-only Superannuation Plan, a division of the Aon Master Trust (Zurich Plan) that you have the same duty of disclosure to the Trustee.

When a person applies for insurance benefits through the Zurich Plan any personal information disclosed to the Trustee will be given to the Insurer.

#### **TELEPHONE CONTACT**

After you submit your Application, we may contact you by telephone to collect personal information regarding your health, medical history, occupation, financial position, activities and other details to collect any information missing from your Application form and Life Insured's Statement. The information provided by you will be recorded and used in the assessment of your Application for insurance cover.

The duty of disclosure also applies to you during the course of any telephone contact with us.

#### **YOUR PRIVACY**

Zurich is bound by the Privacy Act 1988 (Cth). In completing the forms or questions herein you will be providing us with your personal and, perhaps, sensitive information. The collection and management of this information is governed by the Act. Please refer to the Privacy section contained in the current PDS for the product you are applying for. #### **DIRECT DEBIT REQUEST SERVICE AGREEMENT**

This agreement sets out the terms and conditions on which the Account Holder has authorised Zurich to debit money from their account and the obligations of Zurich and the Account Holder under this Agreement.

#### The Account Holder understands and agrees that:

- Direct debiting may not be available on all accounts. The Account Holder is responsible for ensuring the specified account can accept direct debits and there are sufficient cleared funds available in the nominated account to permit payments under the Direct Debit Request on the due date for payments.
- Zurich accepts no responsibility for issues arising where incorrect details have been provided. The Account Holder should check the account details provided to Zurich are correct. If uncertain, check with your financial institution before completing the Direct Debit Request.
- Zurich will debit the account for the sum of the amounts due at the debit date for all specified policies.
- Changes to bank account details must be provided in writing, or by telephoning Zurich (or by such other means as we approve).
- Zurich will give the Account Holder at least 14 days notice in writing if there are any changes to the terms of this Service Agreement.

#### Zurich agrees that:

- When the due date for payment is not a business day, the debit will be processed on the next business day.
- The Account holder can cancel, change\*, defer or suspend the Direct Debit Request on a policy by providing notice to Zurich in writing or by telephone (or by such other means as we approve), or directly with the Account Holder's financial institution (which is required to act promptly on the instructions). Notification must be received by Zurich at least 14 days before the next drawing date in order to process your instructions.
  - \*The Account Holder's financial institution can "change" the Direct Debit Request only to the extent of advising Zurich of new account details.
- Upon request, Zurich will forward a copy of the current terms and conditions for direct debits, to the Account Holder by post, facsimile or other agreed method.
- Zurich will provide details of this Direct Debit, on request.

#### **Disputes**

The Account Holder should give notice of any disputed debit to Zurich. Zurich will respond within 7 working days of receiving your letter. Alternatively, the Account Holder can take it up directly with the Account Holder's financial institution.

#### Dishonoured debits

If a debit is unsuccessful, Zurich will cancel the payment in respect of the dishonoured debit. In some instances, such as where your account has insufficient funds, Zurich may notify you and attempt a second deduction from your account within 14 days. You should ensure that your account has sufficient funds before any second deduction. If we receive new information from you after a dishonour, Zurich will process a one-off debit to pay the policy up to date. If two consecutive dishonours occur, Zurich may cancel the authority. Zurich may charge a dishonour fee to the relevant policy. Currently the fee is nil. The financial institution may also charge fees relating to the dishonour to the account, which is the Account Holder's responsibility.

#### **Confidential information**

Zurich may disclose information about your account to its banker (in connection with a claim made against it relating to an alleged incorrect or wrongful debit made from the account), your financial institution, your adviser and to other companies within the Zurich Financial Services Australia Group of companies. Zurich will not disclose information about you or the account to any other person, except where you have given consent or where the disclosure is required by law.

#### **Notices to Zurich**

The Account Holder may give notice to Zurich in writing at the address shown or by contacting Zurich on 131 551.
