These covers include lump sum amounts for accidental death and specified permanent disability or disablement as well as weekly injury benefits where the person's salary is reduced because of the accident and limited medical expenses not covered by Medicare or private health insurance.

- cover provided under any other regulated compensatory scheme such as workers compensation, traffic accident compensation scheme or compulsory third party insurance benefits offered under life insurance licenced policies, such as:
 - weekly benefits resulting from injury following an accident where the benefit period is greater than 156 weeks
