

Commercial Motor Insurance

NCB Protection removal

What is changing?

Zurich will no longer be utilising No Claims Bonus (NCB). The insured's claims history will still be considered as a rating factor and the insured's claims experience will directly affect the premiums offered. As a result of this change, the No Claims Bonus (NCB) Protection option is no longer available.

When is this changing from?

For New Business incepting from 28 February 2023 and Renewals incepting from 21 April 2023

What does this mean for my policy with Zurich?

Where renewal is offered and you had NCB Protection in the expiring term, the NCB Protection will be applied in calculating your renewal offer. However, you will not have the option to opt-in for NCB Protection for the new term.
