? Why choose Zurich?

Zurich Canada has been a leader in the Canadian commercial market for nearly 100 years. With over 500 employees in offices across the country, Zurich offers the global strength of a leading insurance provider combined with in-depth knowledge of industries and local markets. Zurich's dedicated regional teams offer a forward-thinking approach to mitigate your risks and to help you better protect your business.

Extensive Knowledge and Expertise

Property & Casualty multi-line package product provides a modular policy structure with flexibility to meet customers needs; an all-risk wording including 45 additional optional property extensions.

Financial Strength and Stability

Zurich's financial strength ratings are among the strongest in the industry, with an A+/stable rating from A.M. Best and AA/stable from Standard & Poor's.

Focused Appetite

Zurich's appetite for real estate includes owners and property managers of commercial buildings occupied as offices, light industrial and retail.

Expert Risk Services

With dedicated Risk Services specialists throughout Canada, Zurich provides end-to-end risk services to help mitigate risk before, during and after a loss event, including risk insights and actionable data to help optimize your risk strategy.

Enhanced Coverages

Segment specific coverage, including Tenant Relocation and Replacement Expense, and Mortgage Rate Guarantee Coverage.

Exceptional Claims Management

Zurich's in-house Claims specialists are committed to helping you at the moments that matter most. Zurich strives to make your claims experience personal, clear, effortless and collaborative.
