

# Key Replacement

Your key fob is embedded with sophisticated technology, and should it be lost or damaged, a replacement could be very costly— and even leave you stranded. A Key Replacement Plan provides you peace of mind by covering the replacement of your key fob. Plus, every plan also includes emergency roadside assistance and alternative transportation (when eligible).

Scan to see additional coverage details.

## Features and benefits

If your vehicle key or fob is lost, stolen, or damaged, you are eligible for:

- One replacement covered vehicle key/fob per year (up to a specified amount)
- Alternate transportation coverage if the key or fob cannot be replaced on the same day (up to a specified amount)
- Custom trip routing service

\* Maximum of one (1) replacement occurrence per any given twelve-month period.

## Emergency Roadside Assistance

24/7 emergency roadside assistance coverage for services such as: towing, flat tire changes, gas and fluids delivery, battery services, and frozen lock and lockout services—up to specified limit per disablement.

## What is not covered?

- ✗ Any replacement made without prior authorization from the Plan provider
- ✗ Any key/fob that can be repaired, including one requiring battery replacement to function
- ✗ Replacement occurring outside the United States or Canada

## Vehicle Eligibility

Gas combustion, hybrid and electric vehicles

Most makes and models, ask your dealership representative for further details.
