

Select Care

A little extra care for your vehicle

Proper vehicle maintenance and upkeep often require more than oil changes and tire rotations. Brakes must be replaced, batteries drain, and belts and hoses wear out.

The Select Care Plan provides coverage for the parts that most often need to be replaced but that are typically excluded from manufacturer's warranties, maintenance plans, and vehicle service contracts.

Benefits included with every plan:

Emergency Roadside Assistance

24/7 emergency roadside assistance coverage for services such as: towing, flat tire changes, gas and fluids delivery, battery services, and frozen lock and lockout services—up to specified limit per disablement.

Trip interruption

Trip interruption coverage for food and lodging for up to three days – up to specified limit – if breakdown occurs more than 100 miles from home.

Rental reimbursement

In conjunction with covered repairs – up to a specified daily limit.
