

Zurich solutions for your rental company

Why Zurich for Commercial Fleet

Work with Zurich, the Rental Car Specialists™

We are one of the leading providers of insurance solutions for the auto rental industry, bringing more than 25 years of experience to the businesses we help protect. As the largest provider of property-casualty insurance to the franchised commercial fleet industry, we're ready to help with coverage that fits your needs.

Our knowledgeable, dedicated and customer-focused team stays current on local and national industry trends, participates in industry associations on a local and national level, and – most importantly – listens to you to address your concerns as risk scenarios and potential impacts evolve. We know what it takes to tailor commercial vehicle insurance for car rental fleets, as well as companies that rent RVs, passenger vans and more.

About Zurich

Zurich has 150 years of experience managing risk and supporting resilience for customers around the world. Founded in Switzerland in 1872, Zurich expanded to North America in 1912 to become a leading provider of commercial property-casualty insurance solutions and services in the U.S. and Canada.
