

Fronted Master Builders Risk

Addressing the increasing need for large limit coverage with simplified capacity for Master Builders Risk

The Zurich Fronted Master Builders Risk product streamlines the management of Builders Risk coverage, capacity deployment, and administration of large, multi-year construction projects. The product offers the opportunity to build substantial limits via a single Zurich Builders Risk solution, providing coverage, while meeting the demands of a growing project space.

Zurich offers Fronted Master Builders Risk solutions for:

- Owners and contractors engaged in large and complex projects
- Operations with project pipelines comprising multiple individual projects in excess of \$250 million
- Domestic and globally operated organizations and risks
- Complex risk management services and needs

Additional Zurich services:

- Claims management & administration
- Captive services
- Risk engineering insights
- Reinsurance program management
- Program administrative services
- My Zurich Broker Concierge

Benefits of Fronted Master Builders Risk solutions:

- Comprehensive coverage: Helps enrolled projects receive Master Builders Risk policy coverage with consistent coverage, both domestically and globally
- Capacity delivery: Efficient deployment of capacity with speed and accuracy, while reducing non-concurrency concerns
- One-stop shop: Offers streamlined, single-carrier solution for all underwriting, risk engineering, invoicing and claims administration
- Contract certainty: Provides opportunity for multi-year terms and globally consistent coverage for project bidding and forecasting
- Claims simplicity: Allows simplified claims administration through single point of contact who indemnifies the owner or contractor directly
