The Zurich difference

Managing one of the world's largest networks spanning over 200 countries and territories,¹ Zurich is a market leader and has earned the trust of our customers to take care of their global insurance needs. Additionally, with our strong credit ratings, Zurich has a firm foundation of financial strength.² This means we're able to provide a broad service offering, from structuring your program to managing claims. To give you a consistent standard of insurance protection, we offer:

- **A dedicated team** taking a "whole account" approach to building, transitioning and managing your program
- **Programs to suit companies of various sizes**, customized and aligned to fit your business strategy
- **Cross-border regulatory alignment**, which helps you align policies with the applicable local requirements
- **Fast cash flow** from our network to the Zurich office managing the master program so funds can be transferred quickly

- **One global service platform**, which provides premium invoice and policy issuance delivery, supports the movement of premium and helps with claims payment handling
- **Loss data and risk analysis** for your program with My Zurich, our industry-leading customer and broker portal
- **Rapid policy issuance** and other performance metrics tracked and communicated to customers and brokers in comprehensive service reports

Benefit from Zurich's strong and efficient network

Zurich's global network is managed through an innovative system of regional Zurich Hub offices and carefully selected local insurance partners who are leaders in their countries and strategically located around the world. The Zurich Hubs are staffed by insurance professionals who understand the laws and cultures of the regions they cover, giving them the ability to apply local knowledge to global programs and help ensure consistent service across the network.

A dedicated team to manage your program

Your Zurich Multinational Program is led by a dedicated single point of contact and supported by a team of customer service specialists who provide transparent communication and collaborate with you throughout your program's life cycle. Your Zurich team includes:

- **Attentive service specialists** who make sure the program is delivered efficiently and on time
- **Experienced claims professionals** with a global and local perspective.
- **Specialized Risk Engineers** dedicated to helping reduce operational risk, safeguarding employees and avoiding environmental damage
- **Dedicated multinational underwriters** working with you and your broker using Zurich's exclusive Country Guide, a comprehensive internal database that includes vital country-specific underwriting information

- **Skilled captive professionals** across the globe who help deliver a consistent captive-fronting program

Zurich's industry-leading tools give you more control

- **Zurich's Multinational Technology Platform** provides one global service platform for our entire network. It helps ensure program goals are met and provides a transparent view of program data for our customers and their brokers
- **My Zurich Portal** provides 24/7 access to information relating to your program including claims and program data, risk assessment and information, and risk insights – putting you in control and helping to optimize your budget
- **Zurich Multinational Insurance Application (Zurich MIA)** helps you achieve greater global compliance for multinational programs. Our award-winning tool helps you protect your reputation and make better strategic decisions about expansion overseas.

Zurich MIA also provides guidance on insurer-paid premium tax protocols, laws governing claims payments, loss adjustments and other important information
