

# Zurich Life Sciences

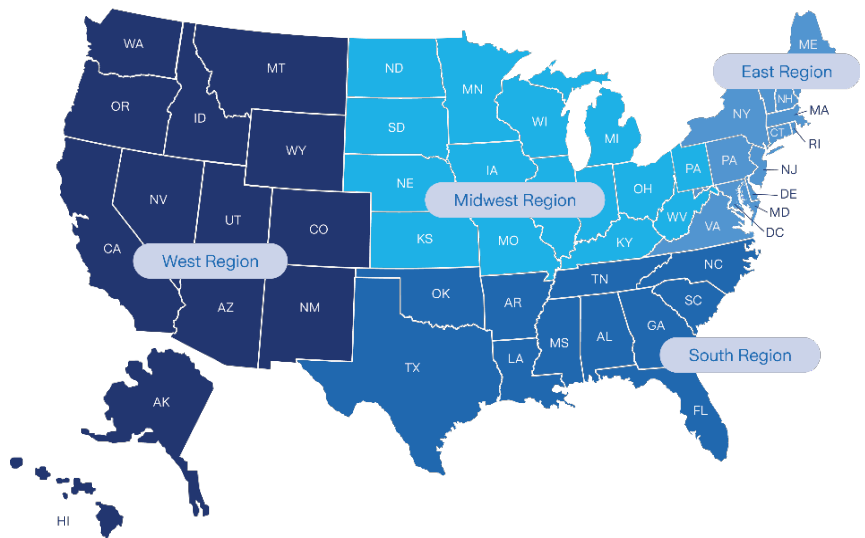

## For U.S. Middle Market

### Contact Sheet

Zurich’s U.S. Middle Market Life Science Industry Practice is built on a foundation of industry experience and knowledge. Staffed by senior underwriters, some of whom have worked at life science companies, Zurich institutes a consultative approach to help identify risks and provide a holistic mitigation solution.

We welcome you to connect with us to discuss how we can help you provide better service and value to your life science clients.

This is intended as a general description of certain types of insurance and services available to qualified customers through the companies of Zurich in North America, provided solely for informational purposes. Nothing herein should be construed as a solicitation, offer, advice, recommendation, or any other service with regard to any type of insurance product underwritten by individual member companies of Zurich in North America, including Zurich American Insurance Company, 1299 Zurich Way, Schaumburg, IL 60196. Your policy is the contract that specifically and fully describes your coverage, terms and conditions. The description of the policy provisions gives a broad overview of coverages and does not revise or amend the policy. Coverages and rates are subject to individual insured meeting our underwriting qualifications and product availability in applicable states. Some products are being offered on a surplus lines basis in some jurisdictions; therefore, in those jurisdictions, coverage can be obtained only through a licensed surplus lines broker. Only a licensed surplus lines broker can solicit or otherwise transact insurance with an insurer that is qualified to provide insurance on a surplus lines basis.
