

# Zurich E&S Property Division

Zurich E&S' Property Division offers property coverage solutions on both a primary basis and on an excess, quota share and layered and shared basis across a wide range of account types and locations for our wholesale broker partners. Zurich E&S Property also now supports buffer layers and, in addition to the list below, recent wins included buffer layers on new business.

The following is a sample of the types of insured operations/classes that have been covered by Zurich E&S property solutions over the past few months:

- Apartment Management/Operations
- Real Estate Management/REITs
- Hotel/Motel Operators
- Colleges/Universities
- Public School Systems
- Municipalities
- Housing Authorities
- Meat Processing Operations
- Food Product Operations
- Millwork Operations
- Primary Metal Operations
- Retail Auto Parts Sales and Distribution

Locations covered under these accounts span the entire United States. Average limits deployed ranged from \$2.5M to \$25M or more. Account premium varies by account, but the premiums on the accounts listed above generally ranged from \$100,000 to just over \$1,000,000 on larger schedules.

This document is intended as a general description of certain types of insurance and services available to qualified customers through the companies of Zurich in North America, provided solely for informational purposes. Nothing herein should be construed as a solicitation, offer, advice, recommendation, or any other service with regard to any type of insurance product underwritten by individual member companies of Zurich in North America, including Zurich American Insurance Company, 1299 Zurich Way, Schaumburg, IL 60196. The policy is the contract that specifically and fully describes coverage, terms and conditions. The description of the policy provisions gives a broad overview of coverages and does not revise or amend the policy. Coverages and rates are subject to individual insured meeting our underwriting qualifications and product availability in applicable states. Some coverages may be written on a nonadmitted basis through licensed surplus lines brokers. Coverage provided on a surplus lines basis only can be obtained through a licensed surplus lines broker. Risk Engineering services are available to qualified customers through The Zurich Services Corporation. The Zurich Services Corporation does not guarantee any particular outcome and there may be conditions on your premises or within your organization, which may not be apparent to us. You are in the best position to understand your business and your organization and to take steps to minimize risk, and we wish to assist you by providing the information and tools to help you assess your changing risk environment.
