

Zurich E&S D&O Executive Select for Public Companies

Zurich E&S provides Public D&O coverage solutions for a wide range of companies – from micro-cap to Fortune 500 firms – and across a myriad of different industries.

The following are examples of recent solutions provided by Zurich E&S in Public D&O:

- **Primary D&O Coverage**

- Multi-channel specialty retailer
- Air freight and logistics provider
- Cloud-based software solutions company
- Manufacturer and distributor of pet food products
- Semiconductor equipment manufacturer and distributor
- Industrial machinery manufacturer

- **Excess D&O Coverage**

- Designer and marketer of women's and men's apparel
- Developer and manufacturer of electronic security systems
- Insurance broker
- Retail technology company

- **Side A Coverage**

- Clinical-stage oncology company
- Designer and manufacturer of interconnect products and systems
- Designer and manufacturer of carry and protective solutions
- Application software company

Coverage solutions ranged from simple Side A to packaged solutions that spanned multiple financial lines products and both U.S. and multinational market solutions developed through our Zurich global network.

This document is intended as a general description of certain types of insurance and services available to qualified customers through the companies of Zurich in North America, provided solely for informational purposes. Nothing herein should be construed as a solicitation, offer, advice, recommendation, or any other service with regard to any type of insurance product underwritten by individual member companies of Zurich in North America, including Zurich American Insurance Company, 1299 Zurich Way, Schaumburg, IL 60196. The policy is the contract that specifically and fully describes coverage, terms and conditions. The description of the policy provisions gives a broad overview of coverages and does not revise or amend the policy. Coverages and rates are subject to individual insured meeting our underwriting qualifications and product availability in applicable states. Some coverages may be written on a nonadmitted basis through licensed surplus lines brokers. Coverage provided on a surplus lines basis only can be obtained through a licensed surplus lines broker. Risk Engineering services are available to qualified customers through The Zurich Services Corporation. The Zurich Services Corporation does not guarantee any particular outcome and there may be conditions on your premises or within your organization, which may not be apparent to us. You are in the best position to understand your business and your organization and to take steps to minimize risk, and we wish to assist you by providing the information and tools to help you assess your changing risk environment.
