

Professional Liability and Cyber

Zurich's Pro Plus® Professional Liability Insurance provides market-leading Errors and Omissions (E&O) insurance solutions for technology, manufacturing and professional services firms. Pro Plus® offers a suite of coverages in one program, including Security and Privacy (S&P) and cyber-related protections. Our modular format lets customers choose the solutions that best fit their needs.

The benefits available to Pro Plus® customers include, but are not limited to, coverage for the following costs:

- Duty to defend
- Defense costs for privacy-related regulatory proceedings
- Consumer-redress funds coverage following a privacy breach
- Ability to insure professional liability and security and privacy (S&P) exposures under a single limit
- Covered exposures include business income loss, system failure and social engineering

Dedicated risk management solutions from experienced cyber risk specialists

Professional Liability enhancements available

Pro Plus® enhanced endorsements can provide an even greater array of protections for qualified customers:

- Alternative Dispute-Resolution Incentives
- Crisis Management Coverage
- eDiscovery Services
- Pro Rata Cancellation
- Retention-Reduction Options

Typical Zurich E&S Pro Plus® customers include:

- Technology Companies, including:
 - Techfin (tech product/service providers supporting the financial services sector)
 - Software development
 - IT (Information Technology) consulting
 - Data analytics
 - Data management/processing
 - Software-as-a-service
 - Hardware components
- Real Estate
 - Real estate developers, property managers, and real estate agents/brokers
- Miscellaneous Consultants
- Advertising/Marketing Services
- Staffing Agencies
- Other miscellaneous service providers
- Contract manufacturing and component part manufacturing
- And more...

Cyber Risk Engineering Services are also available

Zurich Resilience Solutions (ZRS) offers a breadth of cyber security services including Gap Analyses, Incident Response Planning, Virtual CISO services, Penetration Testing, and much more.

This document is intended as a general description of certain types of insurance and services available to qualified customers through the companies of Zurich in North America, provided solely for informational purposes. Nothing herein should be construed as a solicitation, offer, advice, recommendation, or any other service with regard to any type of insurance product underwritten by individual member companies of Zurich in North America, including Zurich American Insurance Company, 1299 Zurich Way, Schaumburg, IL 60196. The policy is the contract that specifically and fully describes coverage, terms and conditions. The description of the policy provisions gives a broad overview of coverages and does not revise or amend the policy. Coverages and rates are subject to individual insured meeting our underwriting qualifications and product availability in applicable states. Some coverages may be written on a nonadmitted basis through licensed surplus lines brokers. Coverage provided on a surplus lines basis only can be obtained through a licensed surplus lines broker. Risk Engineering services are available to qualified customers through The Zurich Services Corporation. The Zurich Services Corporation does not guarantee any particular outcome and there may be conditions on your premises or within your organization, which may not be apparent to us. You are in the best position to understand your business and your organization and to take steps to minimize risk, and we wish to assist you by providing the information and tools to help you assess your changing risk environment.
