

Kurt Möller

Member of the Board of Directors Zurich Austria

Nationality: Austrian

Date of Birth: 1967

Professional Experience

Kurt Möller has been with Zurich Insurance Austria since April 2007, where he holds the position of Chief Underwriting Officer (CUO) and is a member of the Board of Directors. His main responsibilities include underwriting for Property & Casualty and Life insurance, managing Zurich Service GmbH, claims management, risk management, and complaints management. Additionally, Kurt Möller is responsible for market underwriting in the areas of private, SME, and commercial business, oversees product development, and was responsible for reinsurance until 2016. Other duties include risk engineering and managing broker and customer relationships in the commercial sector. Prior to his current role, he was the head of underwriting for the CEE region and worked in marketing. From September to November 2024, he also served as interim CEO.

Before joining Zurich, Kurt Möller worked at Vienna Insurance Group in Vienna from 1987 to 2007. He began his career as an underwriter, key account manager, and trainer for commercial property. He then served as a product manager for non-life insurance, strategic assistant to the CEO of Montan Versicherung, and board assistant at Wiener Städtische. He was a board member at BTUiR Heros S.A., TU Compensa S.A., and Dunaj Sp. z o. o. in Warsaw, Poland, and led the commercial business in Austria and country management for the CEE region.

External Appointments

Since 2007, Kurt Möller has been Zurich's delegate to the Austrian Insurance Association (VVO) and a board member of the Council for Road Safety (KfV), both based in Vienna.

Personal

An avid runner, Kurt Möller speaks German as his native language and is fluent in English. He uses running to view life from different perspectives, appreciating the challenges it brings, whether uphill, downhill, or over rough terrain, and sees parallels to his professional and personal life. His family and dog play an important role in his daily life, providing him with the necessary balance and relaxation.
