

Business Travel Insurance

Zurich's business travel insurance keeps employees protected and supported during work-related travel. It gives access to expert help, immediate assistance and trusted support services throughout every trip.

What is covered?

- Worldwide cover for unexpected incidents during business travel
- Medical expenses, emergency assistance and repatriation
- Personal accidents and third-party liability cover
- Trip cancellation, interruption and travel delay
- Baggage and business equipment: loss, theft, damage and delay
- Crisis support, including emergency evacuation and security incidents
- Rental car cover and excess protection

Who is covered?

- All employees travelling for business purposes
- Optional: contractors, interns, temporary staff, directors and accompanying persons

Legal assistance (DAS)

- Included at no extra cost
- Expert legal support to recover damages or personal injury from a liable third party
- Legal assistance in criminal proceedings
- Support in disputes related to travel or contracts

Assistance & Support

- Global emergency assistance: 24/7 access to expert support wherever employees are travelling
- Zurich Trauma Helpline: 24/7 support following traumatic events, including personal guidance and referral to medical and psychological care

How to report a claim?

You can submit your claim either online via the claims page or by completing the claim form (PDF).
