Appointment of investment sub-manager for Invesco Funds - Invesco Global High Yield Fund

A Global High Yield platform has been created globally, with investment professionals located across different jurisdictions. This structure is intended to support enhanced collaboration across the platform and to enable the relevant high yield funds to benefit from broader investment expertise. Accordingly, the Directors have decided to appoint Invesco Asset Management Limited as an additional investment sub-manager to the Underlying Fund currently managed by Invesco Advisers, Inc., with effect from September 28, 2026.

As confirmed by the Directors, this appointment will not result in any change to the investment objective, investment policy, investment process or risk profile of the affected Underlying Fund.

The Hong Kong offering documents of the Underlying Fund will be updated to reflect the above changes and other general and miscellaneous updates, including the removal of the requirement of providing at least 1 month's prior notice for changes to investment manager(s) or investment sub-manager(s) of funds authorised by the SFC.

The updated Prospectus and the updated KFSs of the Underlying Fund will be available to Hong Kong investors on the Hong Kong website www.invesco.com/hk¹.

If you wish to continue to invest in the Investment Choice(s) after considering the changes outlined above, you will not need to take any action. However, if you do not wish to maintain your investment in the Investment Choice(s), you may switch your existing holdings or redirect your future contribution allocations to alternative investment choice(s) by submitting an instruction to us, free of charge.

We recommend that you contact your licensed insurance intermediary in the first instance, who will be able to advise you of the alternative investment choice(s).
