

Self-drive Tour Carnet Guarantee

The launch of Ad Hoc Quota Trial Scheme for Cross Boundary Private Cars (Self-drive Tour Scheme) surely enables you to have a wonderful driving experience between Hong Kong and Guangdong Province; however, in order to fulfill the requirements by the China Customs, you need to apply for ATA Carnet issued by the Hong Kong General Chamber of Commerce (HKGCC) for the duty-free temporary admission of your private car into China. Backing this ATA Carnet, you are required to provide security in the form of cash or guarantee. To help you handle relevant requirements without hassle, Zurich proudly presents Self-drive Tour Carnet Guarantee*, a first-to-market insurance guarantee tailored for applicants of Self-drive Tour Scheme to enable you a hassle-free driving tour.

The Guarantee

For the issuance of ATA Carnet, HKGCC will require you to provide a cash deposit or guarantee as security for the respective custom duties. Zurich's Self-drive Tour Carnet Guarantee provides guarantee to your custom duties, charges or penalties arising out of Self-drive Tour Scheme and up to a period of seven days, in the event that you fail to observe the respective customs requirements. We free you from the trouble of arranging cash security or applying bank guarantee for the short driving trip.

*Whilst we provide guarantee to your custom duties, you have to fulfill your respective obligations to China Customs. For Zurich to act as your guarantor, you are required to provide a counter guarantee for indemnifying us any duties, taxes and penalties as demanded.

Premium

Premium will be charged in respect to your requested Guarantee Amount. The Guarantee Amount is determined by HKGCC based on the value of the private car and the applicable tax and penalties. You will be advised by HKGCC of the Guarantee Amount after you have submitted your application to ATA Carnet.

Premium Rate: 0.1% of your Guarantee Amount

Min. Premium: HKD300
