

Adapt and grow.

As the world around us continues to undergo dramatic change, Zurich is focused on responding positively and practically to the social, economic and environmental challenges we all face.

The ability to adapt is essential if we want to grow and thrive, as a business and for our customers, partners and people - now and in the future.

At Zurich, we draw on our heritage, expertise and track record of high performance to see things differently and drive the business forward.

Description of charges levied	Fund management fee up to 1.5% per annum
Changes of objective, strategy, restriction and limitation during the year	No change
Details of distribution NAV per unit - before distribution NAV per unit - after distribution	Not applicable
Future prospects and proposed strategy	We believe that socially conscious investments that advocates environemntal responsibility and sustainability will continue to gain traction as awarenes grows. We believe companies meeting or working towards a climate neutral economy could offer attractive growth potential and should remain well supported over the long-term. The ZURICH Global Green Fund will continue to invest via the Zurich Invest ICAV - Zurich Carbon Neutral World Equity fund for exposure to well-diversified portfolio of large and mid-cap equities in developed markets, which relate to the Index or its constituents.

NOTES TO THE FINANCIAL INFORMATION - 31 DECEMBER 2023

1. PRINCIPAL ACTIVITIES AND GENERAL INFORMATION

The ZURICH Investment-Linked Funds consist of the ZURICH Growth Fund, ZURICH Balanced Fund, ZURICH Income Fund, ZURICH Dana Mas Maju, ZURICH Dana Seri Mulia, ZURICH Vulture Fund, ZURICH Dana Mas Yakin, ZURICH China Edge Fund, ZURICH India Edge Fund, ZURICH Global Edge Fund, ZURICH Health Care Fund, ZURICH US Edge Fund, ZURICH Europe Edge Fund and ZURICH Global Green Fund (hereinafter referred to collectively as "the Funds"). The principal activities of the Funds are to invest in authorised investments.

The Manager of the Funds is Zurich Life Insurance Malaysia Berhad, a company incorporated in Malaysia, whose principal activity is conducting life insurance business, including investment-linked life insurance business.

The financial information was authorised for issue by the Board of Directors of the Manager in accordance with their resolution on 19 March 2024.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the financial information.

(a) Basis of preparation

The financial information have been prepared under the historical cost convention, except as disclosed in this summary of significant accounting policies to the financial information, and the Policy Document on Investment-Linked Business issued by Bank Negara Malaysia.

(b) Investments

Investments held by the investment-linked funds are designated at fair value to profit or loss at inception as they are managed and evaluated on a fair value basis, in accordance with the respective investment strategy and mandate.

These investments are initially recorded at fair value and transaction costs are expensed in the statement of income and expenditure. Subsequent to the initial recognition, these assets are remeasured at fair value. Fair value adjustments are recognised in the statement of income and expenditure.

(c) Receivables

Receivables are recognised when due and measured on initial recognition at the fair value of consideration receivable. Subsequent to initial recognition, receivables are measured at amortised cost using the effective yield method.

If there is objective evidence that the receivable is impaired, the Funds reduce the carrying amount of the receivable accordingly and recognise the impairment loss in the statement of income and expenditure.

(Incorporated in Malaysia)

NOTES TO THE FINANCIAL INFORMATION - 31 DECEMBER 2023 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(d) Net creation of units

Net creation of units represents premiums paid by policyholders as payment for a new contract or subsequent payments to increase the amount of that contract less switching within the funds. Net creation of units is recognised on a receipt basis.

(e) Net cancellation of units

Net cancellation of units represents cancellation of units arising from surrenders and withdrawals. Cancellation is recognised upon surrender of the related insurance contract or the occurrence of the other benefits that would result in de-recognition of the contract.

(f) Income recognition

Interest income on fixed income instruments such as fixed and call deposits, Malaysian Government Securities/Government Investment Issues, and corporate debt securities, including the amount of amortisation of premiums and accretion of discounts, is recognised on a time proportion basis that takes into account the effective yield of the asset.

Dividend income is recognised when the right to receive payment is established.

Gains or losses arising from the disposal of investments are credited or charged to the statement of income and expenditure.

(g) Foreign currencies

Foreign currency transactions of the Funds are accounted for at exchange rates prevailing at the transaction dates. Foreign currency monetary assets and liabilities are translated at exchange rates prevailing at the date of the statement of assets and liabilities. Exchange differences arising from the settlement of foreign currency transactions and from the translations of foreign currency monetary assets and liabilities are included in the statement of income and expenditure.

(h) Income taxes

Gains or losses arising from the disposal of investments are credited or charged to the statement of income and expenditure.

Deferred tax is recognised in full, using the liability method, on temporary differences arising between the amounts attributed to assets and liabilities for tax purpose and their carrying amounts in the financial information.

Deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences or unused tax losses can be utilised.

Deferred tax is determined using tax rates (and tax laws) enacted or substantively enacted at the date of the statement of assets and liabilities.

(Incorporated in Malaysia)

NOTES TO THE FINANCIAL INFORMATION - 31 DECEMBER 2023 (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(i) Cash and cash equivalents

Cash and cash equivalents consist of cash and bank balances.

(j) Financial instruments

Description

A financial instrument is any contract that gives rise to both a financial asset of one enterprise and a financial liability or equity instrument of another enterprise.

A financial asset is any asset that is cash, a contractual right to receive cash or another financial asset from another enterprise, a contractual right to exchange financial instruments with another enterprise under conditions that are potentially favourable, or an equity instrument of another enterprise.

A financial liability is any liability that is a contractual obligation to deliver cash or another financial asset to another enterprise, or to exchange financial instruments with another enterprise under conditions that are potentially unfavourable.

The particular recognition method adopted for financial instruments recognised on the statement of assets and liabilities is disclosed in the individual accounting policy note associated with each item.

Fair Values

The Funds' basis of estimation of fair values for financial instruments is as follows:

- The fair value of financial instruments that are actively traded in organised financial markets is determined by reference to quoted or published (closing) prices on the date of the statement of assets and liabilities.
- For investment in unit and real estate investment trusts, fair value is determined by reference to published (closing) prices.
- The fair values of unquoted Corporate Debt Securities/Malaysian Government Securities/Government Investment Issues are based on the prices quoted by pricing agency.
- The fair values of other financial assets and liabilities with a maturity period of less than one year are assumed to approximate their carrying values.

The carrying amount of the financial assets and liabilities of the Funds at the statement of assets and liabilities date approximate their fair values.

(k) Payables

Payables are recognised when due and measured on initial recognition at the fair value of consideration received. Subsequent to initial recognition, payables are measured at amortised cost, using the effective yield method.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(I) Management fees

Management fees are calculated based on net asset values of the Funds in accordance with the mandate for the investment-linked funds and are charged to the statement of income and expenditure when inccured.

(m) Soft commissions

The Manager is restricted from receiving any soft commission from any brokers or dealers. However, soft commission in the form of goods or services that are beneficial to the policyholders are retained by the Manager. The soft commissions include research and advisory services, economic and portfolio analysis, and market reports that pertain to the investment management of the Funds.

Independent auditors' report to the unitholders of the Investment-linked Funds of Zurich Life Insurance Malaysia Berhad (incorporated in Malaysia)

Report on the audit of the financial information

Opinion

We have audited the financial information of Zurich Growth Fund, Zurich Balanced Fund, Zurich Income Fund, Zurich Dana Mas Maju, Zurich Dana Seri Mulia, Zurich Vulture Fund, Zurich Dana Mas Yakin, Zurich China Edge Fund, Zurich India Edge Fund, Zurich Global Edge Fund, Zurich Health Care Fund, Zurich US Edge Fund, Zurich Europe Edge Fund and Zurich Global Green Fund of Zurich Life Insurance Malaysia Berhad (collectively referred to as "the Funds"), which comprise the statements of assets and liabilities as at 31 December 2023, and statements of income and expenditure and statements of changes in net asset value of the Funds for the year then ended, and notes to the financial information, including material accounting policy information, as set out on pages 29 to 86.

In our opinion, the accompanying financial information gives a true and fair view of the financial position of the Funds as at 31 December 2023, and of its financial performance for the year then ended in accordance with the Funds' Accounting Policies as described in Note 2 to the financial information.

Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial information section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of matter - Basis of Accounting

We draw attention to Note 2 to the financial information of the Funds, which describes the basis of accounting. The financial information of the Funds is prepared to assist the Funds in meeting the requirements as stipulated in BNM/RH/PD 029-36 Investment-Linked Business (the "Policy Document") issued by Bank Negara Malaysia ("BNM"). As a result, the financial information of the Funds may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Independence and other ethical responsibilities

We are independent of the Funds in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Independent auditors' report to the unitholders of the Investment-linked Funds of Zurich Life Insurance Malaysia Berhad (incorporated in Malaysia) (cont'd.)

Information other than the financial information and auditors' report thereon

The directors of Zurich Life Insurance Malaysia Berhad ("the directors") are responsible for the other information. The other information comprises the information included in the annual report of the Funds but does not include the financial information of the Funds and our auditors' report thereon.

Our opinion on the financial information of the Funds does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial information of the Funds, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial information of the Funds or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors of the Manager and the Manager for the financial information

The Manager is responsible for the preparation of financial information of the Funds that give a true and fair view in accordance with the Funds' Accounting Policies as described in Note 2 to the financial information. The Manager is also responsible for such internal control as the Manager determines is necessary to enable the preparation of financial information of the Funds that are free from material misstatement, whether due to fraud or error.

In preparing the financial information of the Funds, the Manager is responsible for assessing the Funds' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Manager either intends to liquidate the Funds or to cease operations, or have no realistic alternative but to do so.

The directors of the Manager are responsible for overseeing the Funds' financial reporting process. The directors of the Manager are also responsible for ensuring that the Manager maintains proper accounting and other records as are necessary to enable true and fair presentation of these financial information.

Independent auditors' report to the unitholders of the Investment-linked Funds of Zurich Life Insurance Malaysia Berhad (incorporated in Malaysia) (cont'd.)

Auditors' responsibilities for the audit of the financial information

Our objectives are to obtain reasonable assurance about whether the financial information of the Funds as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial information.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information of the Funds, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Funds' internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Funds' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial information of the Funds or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Funds to cease to continue as a going concern.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Independent auditors' report to the unitholders of the Investment-linked Funds of Zurich Life Insurance Malaysia Berhad (incorporated in Malaysia) (cont'd.)

Other matters

This report is made solely to the directors and unitholders of the Funds, for the purpose of meeting the requirements as stipulated in the Policy Document issued by BNM and for no other purpose. We do not assume responsibility to any other person for the content of this report.
