

Origin of wealth

Guidelines and questionnaire

This document must be read with your financial professional

1. Origin of wealth guidelines

These guidelines provide you with premium levels above which we will require documentary evidence to support the information given in the origin of wealth questionnaire.

The **list of countries** and their respective categories is available on www.zurich.ae/oowcountries. The category beside each country indicates the premium level for that particular country. The premium levels are shown in US dollars, sterling and euros, but we will accept payments in any freely convertible currency at the prevailing exchange rate.

Please note: the premium levels indicated below include any contributions to existing policies.

Please ensure that the information given on the origin of wealth questionnaire is complete and consistent with the information on the application form.

For the purposes of applying these guidelines, the 'country' refers to your country of residence.

The inclusion of countries in the list should not be taken as confirmation that business will be accepted from these regions.

You should speak with your financial professional or your local Zurich International Life (Zurich) office if you need to confirm business acceptance from certain territories.

Category 1 Single premium: USD 1,000,000 / GBP 780,000 / EUR 900,000	Yearly regular premium: USD 100,000 / GBP 78,000 / EUR 90,000
Category 2 Single premium: USD 500,000 / GBP 390,000 / EUR 450,000	Yearly regular premium: USD 50,000 / GBP 39,000 / EUR 45,000

For Qatar

For the purposes of applying Qatar guidelines, **please note:** the below threshold will apply only for policies negotiated in Qatar. These rules do not override the basic thresholds sighted above on change of residency to Qatar.

Qatar Threshold Single premium: USD 500,000 equivalent in plan currency	Yearly regular premium: USD 50,000 equivalent in plan currency
