Dear [Title][Surname]

RE: Proposed transfer of your Zurich International Life Limited (Singapore Branch) policy to Monument International Life Assurance Company Limited (Singapore Branch)

We are writing to you as a Zurich International Life Limited (“ZILL”) policyholder, as we intend to transfer your policy and all other long term (life insurance) business issued through our Singapore Branch (“ZILL Singapore”) to Monument International Life Assurance Company Limited (Singapore Branch) (“MILAC Singapore”) (the “Transfer”).

The proposed Transfer is subject to the approval of the Monetary Authority of Singapore (“MAS”), the Isle of Man Financial Services Authority (“IoMFS”) and the High Court of the Republic of Singapore and the High Court of Justice of the Isle of Man (the “High Courts”).

We would like to explain what the proposed Transfer means for you and ask that you read this letter and the enclosures carefully as they provide you with important information.

When will the proposed Transfer take place?

The Transfer is subject to the High Courts’ approval, as required under the applicable legislation in the Isle of Man and Singapore. If the proposed Transfer is approved, your policy(ies) will be transferred to MILAC Singapore on the effective date, which we expect to be Tuesday, 01 November 2022 (the “Effective Date”). MILAC Singapore will then take over responsibility for the administration of your policy(ies).

How will the proposed Transfer affect you?

From the Effective Date, your policy(ies) will be provided by MILAC Singapore rather than ZILL Singapore. The following will **not change** under the proposed Transfer:

- Your rights and obligations under the policy; and
- The benefits payable from the policy.

Zurich International Life Limited provides life assurance, investment and protection products and is authorised by the Isle of Man Government Insurance and Pensions Authority.

Registered in the Isle of Man
number 020126C.

As a result of the proposed Transfer, there will be certain changes to how your policy is administrated to reflect changes in technology related to differing administration systems between ZILL Singapore and MILAC Singapore, and these are detailed in the enclosed questions and answers document.

All terms and conditions, rights and obligations as well as existing benefits payable will be performed and provided by MILAC Singapore from the Effective Date. If you have authorised a financial adviser to provide instructions on your behalf in relation to your policy(ies), this authority will remain in place following the Transfer.

If you have an investment linked policy, the funds linked to your policy benefits will be provided by Monument International Life Assurance Company Limited ("**MILAC**") rather than ZILL from the Effective Date.

As a result of the Transfer, there will be no change to:

- The value of your investments;
- The nature or investment objectives of the funds to which your policy is linked; and
- The fund range that is available.

However, the names of the funds provided by MILAC may be different to ZILL's equivalent funds and you will be notified of any fund name changes if applicable. Some charges will also be reduced following the Effective Date and these are explained further in question 25 of the enclosed questions and answers document.

If you have additional products or policies with ZILL (either in the Isle of Man or through a different branch), or with any other Zurich Group company other than ZILL, these will not transfer to MILAC Singapore. The proposed Transfer has no impact on the commercial insurance business of Zurich Insurance Company Singapore Branch.

How will this affect any premiums paid to my policy?

MILAC will replicate all the payment options currently available to you, with the exception of payment by Hong Kong Dollar Direct Debit; this payment method will no longer be available following the proposed Transfer.

If you currently pay your premiums by Hong Kong Dollar Direct Debit, MILAC will contact you separately to arrange an alternative payment method on or around the Effective Date.

Should MILAC require updated instructions or details from you in relation to any other premium payment method, they will contact you separately in this regard on or around the Effective Date.

How are you protected?

For the proposed Transfer to take place, there is a legal process which must be followed which seeks to ensure that your interests as a policyholder are protected and that you are fully informed about the proposed Transfer. This letter is provided to you as part of that legal process.

Your interests, and the interests of other policyholders, are being looked after by a rigorous review process which includes:

- The appointment of an Independent Actuary to produce a report for the High Courts detailing the likely impact of the Transfer on policyholders;
- Close consultation with the relevant regulatory authorities, including the MAS and the IoMFSA;
- The ability for you, and other people impacted by the Transfer, to raise concerns and object to the Transfer; and
- The requirement for approval of the Transfer by the High Courts.

The proposed Transfer does not impact on your policyholders' rights and obligations for policyholder protection in the Isle of Man and Singapore.

What should you do next?

Please take the time to read all the enclosed documents to ensure you understand the proposed Transfer and how it will impact you:

- Questions and answers about the Transfer;
- Summary of the terms of the Transfer; and
- Summary of the Independent Actuary's report.

If you are aware of anyone else who has an interest in and/or is entitled to benefits under your policy, please ensure that they are also given the opportunity to read this letter and the enclosures.

Unless you want to raise any concerns or object to the proposed Transfer, you do not have to take any further action.

However, if you believe you may be adversely affected by the Transfer, you can:

- Call or write to us using the details in the 'Where to find further information' section below; and/or
- Appear at the High Court hearings (or instruct a legal representative to do so on your behalf, at your own expense).

We expect the High Court hearing in the Isle of Man to be at 10am (UK time) on Tuesday, 20 September 2022 and the High Court hearing in Singapore to also be within September 2022. We will publish the dates, times and locations of the hearings once confirmed, and any other updates, on our website, www.zurich.com.sg/businessstransfer, and on the MILAC website, www.monumentregroup.com/transfers.

If you would like more information about how to raise concerns or object to the proposed Transfer, please refer to question 14 in the enclosed set of questions and answers.

How will you be kept informed?

If the Transfer is approved by the High Courts, or if there are any changes to the transfer process (such as changes to the individual High Court hearing dates), we will update www.zurich.com.sg/businessstransfer and www.monumentregroup.com/transfers with this information. MILAC Singapore will also write to you shortly after the Effective Date.

If the Transfer is not approved by the High Courts, we will update www.zurich.com.sg/businessstransfer and www.monumentregroup.com/transfers and will also write to you to inform you of the decision.

Where to find further information
