

Dining

Building **A**

Our kitchen offers meals of seasonal freshness paired with creative ideas.

The daily offer consists of a three-course business lunch. You can choose between vegetarian, fish or meat option. A regional dish is always available. For our business lunches we guarantee one hour for the service, including coffee.

Our standard dinner is a four-course menu. Like for lunch, you can choose between a variation of dishes.

On a special request or for groups, our chef will be delighted to create exclusive menu suggestions.
