

# Managing Events Safely Training

There are many benefits to running events such as providing leisure and recreational entertainment.

This course will assist in understanding the legal duties of an event organiser and how to prevent injury, loss or damage to ensure successful, sustainable events

## Learning Objectives

- Introduction to key legislation and health and safety responsibilities
- An awareness of multi -agency event planning meetings ( Safety Advisory Groups)
- How to plan, organise and actively monitor your event
- The importance of risk assessments and event management safety plans
- Emergency Planning arrangements and procedures

## Benefits

- ✓ Can increase competency and awareness for employees on safe event planning
- ✓ Can improve the quality of risk assessments
- ✓ Can help decrease accidents and incidents
- ✓ Improved awareness of claims defensibility in the event of an incident

## Training Overview

This half day course can be delivered virtually or in person and will include practical exercises to increase competency and awareness for employees.

This course covers:

- Legal responsibilities and relevant health and safety legislation
- Event planning and health and safety considerations
- Key health and safety documentation and procedures.

## Other training
