

IOSH Managing Safely Training

IOSH Managing Safely is designed for managers and supervisors in any sector or organisation.

This course will assist in understanding responsibilities for and give practical guidance on managing health and safety.

Learning Objectives

- Understand the importance of robust safety standards and procedures
- Awareness of hazard identification and effective controls
- Understanding of accident and incident investigation
- Evaluation of health and safety performance in the organisation

Benefits

- ✓ Improved safety awareness and culture
- ✓ Helps ensure management fully understand their safety responsibilities
- ✓ Can improve productivity in the workplace by reducing lost time to incidents
- ✓ Allows for more effective accident investigations, improving claims defensibility
- ✓ Recognised as a formal qualification by customers and suppliers
