

# Managed Detection and Response (MDR)

Delivering Efficient Cybersecurity

Cyber threats don't keep office hours. Alert fatigue, staffing shortages, and response delays leave many organizations vulnerable when every second counts. Even with strong tools in place, interpreting signals and acting fast can overwhelm internal teams.

That's why our MDR solution, powered by leading technologies such as SentinelOne and Stellar Cyber, and delivered by SpearTip, was built: to give you an always-on security extension backed by elite analysts. It transforms alerts into answers, filters out the noise, and helps you take the right action quickly. You stay focused on running your business while this solution handles the rest.

## 24/7 Security Operations Center

Our analysts continuously monitor your environment 24/7 and are ready to respond at any time, anywhere.

## Faster SLAs, Shorter MTTR

With an 18-minute response timeline, you get an industry leading MTTR (Mean Time to Respond).

## Partnership & Guidance

Our experts handle threats end-to-end, delivering customized reports and strategic guidance to foster long-term resilience.
