

# ZRS Employer Resource Hub

Risk management and compliance solutions

Changing regulation and complexities of HR/employment-related issues present some of the most significant challenges to dealers and their teams. Navigating and staying ahead of these risks can be challenging.

To help manage these risks, Zurich Resilience Solutions (ZRS) introduces the *ZRS Employer Resource Hub* to offer risk management and compliance solutions that can help deliver significant value to your organization.

The *Zurich Employer Resource Hub Center* provides specific, documented answers to employment related questions, on-demand access to training and resources, online training to keep your team compliant with new regulations, Federal and State specific posters, and so much more. The *ZRS Employer Resource Hub* is here to help your team stay compliant and to deliver valuable risk management tools to your organization.

ZRS Employer Resource Hub services are included for Zurich customers.

To sign-up for the ZRS Employer Resource Hub, contact your ZRS Risk Engineer.:
