

# Subcontractor Default Insurance claim submittal service

When dealing with a subcontractor or supplier default, it's crucial to document your Subcontractor Default Insurance (SDI) claim comprehensively. Zurich Resilience Solutions (ZRS) specializes in reviewing default circumstances, compiling relevant data, and organizing your claim proof of loss documents into a professional package for submission to your SDI provider. This ensures you obtain your reimbursement for covered loss in a timely and efficient manner.

 <b>Detailed review &amp; data compilation</b>	 <b>Professional document organization</b>	 <b>Invoicing &amp; reimbursement facilitation</b>
<p>ZRS will thoroughly review the circumstances surrounding the subcontractor default. Our team will gather and compile all relevant data, ensuring no detail is overlooked. This includes:</p> <ul style="list-style-type: none"><li>• Replacement subcontractors</li><li>• Labor costs</li><li>• Material expenses</li><li>• Equipment fees</li><li>• Legal costs</li><li>• Unpaid vendor invoices</li><li>• Indirect and delay costs</li></ul>	<p>We understand that most contractors lack the resources to properly track and document the myriad additional costs resulting from a subcontractor default. Our experienced Risk Engineers will:</p> <ul style="list-style-type: none"><li>• Identify necessary documents</li><li>• Compile comprehensive proof of loss submittals</li><li>• Organize data into an acceptable and professional format</li></ul>	<p>Many SDI policies cover the costs associated with compiling a proof of loss submittal. ZRS will:</p> <ul style="list-style-type: none"><li>• Provide detailed invoices for our services</li><li>• Include these invoices in your proof of loss submittal</li></ul>

With over 20 years of experience and more than 2,000 claim proof of loss submittals reviewed, Zurich Risk Engineers are here to assist you in preparing effective SDI claims. By leveraging ZRS's experience, your field staff can better focus on project completion and maintaining customer satisfaction.
