

New York City Comprehensive Boiler Inspection Services

At Zurich Resilience Solutions (ZRS), we understand the importance of fast and efficient boiler inspections for your NYC business or residence. Our team is dedicated to providing exceptional services that help your business remain compliant and operational.

What We Offer:

- **Comprehensive Inspection Services:** Our expertise encompasses NYC Boiler Inspections, DOB Annual Boiler Inspections, and High-Pressure Boiler Inspections.
- **Qualified Inspectors:** Inspection services by National Board of Boiler and Pressure Vessel Inspectors.
- **Compliance Assistance:** We help you avoid the \$1,000 fine by ensuring timely annual inspections for H-stamped and E-stamped boilers. These inspections are compulsory for residential buildings with six or more families, commercial and mixed-use buildings, regardless of boiler BTU capacity, and any residential buildings classified as Single Room Occupancy (SRO) dwellings.
- **High-Pressure Boiler Compliance:** We handle the required internal and external inspections for high-pressure boilers, which are conducted approximately six months apart within the same cycle.
- **Quality Service:** On-time inspections and reporting; timely submission of all certificate fees; formal status tracking with convenient equipment reports available.

The ZRS Difference

With ZRS, you're choosing more than speed – you're opting for thoroughness, professionalism, and a steadfast commitment to your satisfaction. We help ensure your boiler complies with all regulatory, statutory, and jurisdictional requirements.
